PETITION UNDER 37 CFR 1.17 (h)

February 19, 2004

Hon. Director of Patents
Washington, D.C. 20231

Sir:

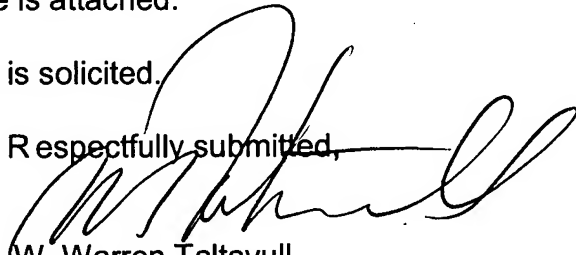

In response to the Notice of Omitted Items in a Nonprovisional Application mailed February 13, 2004, applicant submits that the allegedly missing items were in fact filed as the following shows, that the notice is inappropriate and incorrect and should be withdrawn.

The stamped filing receipt, copy attached, shows the filing of 4 sheets of drawings. The applicant's specification cover sheet shows also the filing of 4 sheets of informal drawings as well as 4 sheets of formal drawings. Copies of the informal and formal drawings are attached as these clearly show the allegedly missing Figures 7 – 10 on sheet numbered 4/4 for the formal drawings. Figures 7-10 in the informal drawing set are found on sheets 3 and 4. Either one of these sets shows the complete filing of the application.

The refundable petition fee is attached.

Early and favorable action is solicited.

Respectfully submitted,

W. Warren Taltavull
